

# PARTNERS IN KINDNESS

Powered by  RAISE CRAZE™

Dear Friends of Tippit Middle School,

As a valued and respected member of our business community, we are reaching out for your support in our Raise Craze fundraiser. With Raise Craze, our students ask friends and families for donations while spreading acts of kindness in the community.

### **Why We Chose This Way to Fundraise**

We picked this fundraiser in an effort to get more of our students involved, while teaching the value of gratitude and paying it forward in the community. We believe that this will not only shape the character of our students, but will also allow everyone, regardless of their ability to raise money, to participate.

### **How A Sponsorship Can Help Your Business Grow**

Throughout this fundraiser, we will spotlight your business on our social media, on our thank you emails that will go out to all of our donors, and during our Corporate Sponsor Match Challenge. This all allows your name to be in front of our entire school community.

We sincerely appreciate your support!
